Dear Francesco Galtieri,

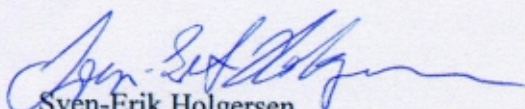

On behalf of the Early Childhood Commission of the International Society for Music Education (ISME) it is my pleasure hereby to express our most sincere interest in your generous offer to host the ECME conference July 14-18, 2008. This conference is connected to the ISME World Conference 20-25, 2008 in Bologna.

According to our previous correspondance, we look very much forward to discuss with you the possibilities for a suitable venue as well as accommodation in Frascati, conference staff, budget and funding.

For your information, we expect 80-100 international as well as local participants to attend the conference. The academic programme will consist of invited keynotes, papers, posters and work shops and in addition local performing groups / concerts are particularly appreciated.

As part of the conference we also plan a social programme and we look very much forward to do this in close collaboration with you.

Yours sincerely

Sven-Erik Holgersen
